

BELIS CONSULTING INC.

H1B, EB2, and EB3 visas are for individuals who wish to immigrate to the USA with work permits leading to permanent residency.

Qualifications for H1B, EB2 and EB3

PhD or Masters or Bachelor's degree in any field

You can qualify for EB3 without a university degree but vast work experience

Application process (step by step)

1. We review resumes and advise clients on what field will be of benefit to them
2. We engage clients if the need arises and improve their resumes.
3. We match them with suitable companies that will employ them and work on their visa.

This process will take a maximum of 6 months

You can take your family with your spouse and kids under 21 years. They are not included in the total cost of the package but we will help you acquire their visa for them. If any payment is made and the job offer is not ready within 6 months, Belis Consulting Inc. will refund 90% of the initial payment.
